6

7

*We aim to develop the mind & soul of the child*

## **CHAIRMAN'S DESK:-**

*A very warm welcome to the DEHRADOON INTERNATIONAL SCHOOL VARANASI.*

*At DDIS VARANASI our mission is to provide an outstanding education which will inspire our students to engage in both academic and enriching extra-curricular programmes. Our students will set high expectations for themselves, enjoy school and the community is constantly rewarded by their achievements. DEHRADOON EDUCATIONAL GROUP has earned its outstanding reputation through its students' successes, its rigorous educational programme, its excellent and dedicated staff, its caring community and its engagement in global issues.*

*Our curriculum develops student learning and understanding, a culture of thinking, inquiry and reflection, resilience and independence, always focused upon developing the whole child and tomorrow's national citizens.*

**Dr. Dharendra Tiwary**  
Chairman & Legal Advisor  
(Dehradun Educational Group)

**Er. Brajesh Kumar**  
Director (DDIS)

## **DIRECTOR'S Message:-**

*At this unique institution, we hone the academic skills, fine-tune the aesthetic senses and work towards building a holistic culture that values the individuality of each pupil, helping them realize their innate potential.*

*Children are encouraged to explore and revel in the joy of learning. Rote learning is discouraged and Research Based Learning is the norm, where each pupil is guided through an individualized work plan in consonance with his/her potential, thereby providing a complete learning experience.*

*We believe that Education's purpose is to replace an empty mind with an open one. We are of the conviction that giving roots of values is significant so that our pupils remain firmly rooted to the ground.*

*We give our students wings of ambition, so that they can soar like falcons to touch the skies and endeavor to make them global citizens who can look beyond geographical boundaries and promote a culture of peace and universal brotherhood.*

***"Imagination is more important than knowledge. For knowledge is limited, whereas imagination embraces the entire world, stimulating progress, giving birth to evolution."***

**Er. Rushali Pandey**  
Additional Director (DDIS)

### ADDITIONAL DIRECTOR :-

We create a safe environment where respect, integrity, and carrying are continually taught and modeled. We focus on creating an atmosphere where everyone shows respect for differences in other people, custom, and cultures. We have many educational programs that are infused into the daily curriculum that focused on achieving this goal.

I believe in open and frequent communication. If you should need anything please feel free to contact me by email/phone or by stopping by at DDIS VARANASI. It is through working together that we will succeed in bringing the best educational opportunities to your child.

It is my hope that you and your child enjoy the 2019/20 school year and all the excitement it will bring! Please feel free to contact any of us at DDIS VARANASI if you would like more information. I am proud to call myself a DDIS VARANASI member and look forward to working together in the coming years!

### DEVELOPMENT DIRECTOR:-

“It is a fundamental principal of introducing change and improvement in school”

Developing a shared understanding within the school to ensure that internal school assessment is not seen as a one-time event but as a tool for development of quality

Evaluation, either external or internal should be seen as part of a cyclical process: from planning, through doing, through checking, to acting and over again.

**Mr. Vinit Tiwari**  
Development Director (DDIS)

### **ABOUT US @ DDIS :-**

*The Dehradun educational Group has widespread interest in the sphere of quality education with a commitment to excellence, providing opportunities to enable young people to be best positioned, consequent to their education in these institutions. The Schools have been established and are being administered by various Societies/Trusts, the primary aim of establishing schools of international standards resulting in promotion of quality education and values throughout the country. Our group started its first school in VARANASI (DOMARI PARAO) back in 2009. The group has since been establishing new standards in education, which are now being appreciated by students, parents and educators. The group owes its success to the Almighty God. Is giving our school comprehensive education on environmental conservation, Saturday science school, skill development, personality development and computer education, sports Facilities, swimming facilities & co-curricular activities.*

### **VISION @ DDIS :-**

*Our vision is to be a premier global educational institution which develops the human resource for our dynamic and expanding community, the state, the nation, the region and the world at large. Through our Motto, Excellence in Education, Our institutions will cultivate all round development that shall foster academics, understanding, brilliance, spiritual well-being, physical development, psychological strengths, resourcefulness and creative skills, social responsibility and concern for one's environment.*

### **MISSION @ DDIS :-**

*DEHRADOON INTERNATIONAL SCHOOL VARANASI blend high value deliveries with modern learning tools to ensure that each of the institution has a safe, healthy, positively energizing, intellectually challenging, learning and enjoyable environment, committed to engage students in active, collaborative and technology based learning methodologies, to develop formative and summative assessments of students learning.*

*It is our mission to facilitate:-*

*The development of global citizens – individuals with self-confidence who are able to contribute to community life, build tolerance & accountability and able to deal with emotional and spiritual quotients. A student with knowledge, attitude, skills, social and moral values personality development, physical and psycho-social capabilities, which are effectively achieved through professional coaching in sports, creative and personality enhancement activities.*

### **Motto @ DDIS :-**

***"A Dream which has Dedication  
with an Ideology and want to be Shine."***

## A group of students in a computer lab, wearing headphones and using desktop computers. The students are focused on their work, with some looking at the screens and others at their keyboards. The lab is equipped with multiple desktop computers and headphones for each student.

- 
- A photograph of a modern classroom. In the foreground, several rows of black chairs with attached wooden desks are visible. The room has a light-colored tiled floor. At the front of the room, a large white projection screen displays a scenic view of a building, likely a university campus, with trees and a body of water. Below the screen is a wooden paneling. To the right of the screen, there is a blackboard and a small table with a computer monitor and other equipment. The ceiling is white with recessed lighting.

# Saturday Science School

## Our Vision

*Saturday Science School has focused its efforts on school children. If groomed at proper age, children will become an asset to our nation. In contrast to the didactic learning, we have emphasized on Experiential science learning. Hands on science activities help children explore science at their own pace. They prove some hypotheses through experiments and their results. This develops many qualities in children, like, curiosity, observational skills, analytical approach, problem solving techniques, scientific temperament, creativity, patience etc. A survey shows that children at age of 10 spend over 30 hours a week watching TV, internet or handling mobiles. It means by the time they reach their 8th grade, they would have spent 5000 hours in wasteful activities. This is more than it takes to obtain a bachelor's degree. Our attempt is to give children science activities to engage them intellectually and physically. The goal is not necessarily to create scientists, but to create civilized Indians, who apply their brain to the problems and use scientific approach to find their solution.*

### TO GIVE

In contrast to didactic learning Saturday Science School (SSS) emphasizes on experiential science learning.

### DEVELOP

Qualities like curiosity, observation, analytical approach.

### ENHANCE

Skills like problem solving, scientific temperament, creativity and patience

### TO NURTURE

Future thinkers, who apply their brain to the problems and use scientific approach to find solutions.

# SWIMMING CLASSES

Knowledge of Swimming is necessary for everybody as it includes life saving, life guarding and aquatic sports. It is also very good for maintaining physical fitness **DDIS VARANASI** is providing

the swimming pool for children. Swimming is a wholesome exercise that helps cultivate the right stamina for a healthy person. Swimming, at **DDIS VARANASI**, is included as a subject in the time-table. The pool is for the little ones, up to class three, to rid them of the aquatic fear. The swimming classes are guided and supervised by swimming coaches – ladies and gentlemen. Excellent and hygienic water standards at the pool are maintained by way of maintenance of the pools by highly qualified and capable agencies.

# CRICKET COACHING

## What we offer

### **DDIS VARANASI:-**

We intend picking up few of the boys from schools and hopefully the 'best' and 'most talented' can possibly represent the country, thereafter sky is the limit

Individual coaching sessions can be arranged with Expert cricket coach individual for most talented student

### **Professional Equipments**

1. From cricket bats to batting gloves, from batting helmets to wickets keeping gloves, whatever is the need.
2. We also provide **NET PRACTICE, in cemented pitched.**
3. video analysis sessions of individuals keep happening from time to time in order to teach the boys the finer points of the game.

The school aims at excellence in every walk of life. School excellence is first and foremost, but we believe that a child's education also depends to a considerable extent. On extracurricular activities. We provide our children myriad opportunities to develop their latent talent. Activity periods are a part of the school curriculum.
